The screenshot displays the Summer Reader software interface. On the left is a 'Search This Program' form with fields for Last Name, First Name, Library Card #, Primary Library, and School Name. Below these are search options: 'Text Searching' with 'Begin With' and 'Any Part' radio buttons, and 'Review' with a search box. There are also fields for Title, Author, and a 'Rate It 5 is the best!' section with a 5-point scale. A 'Review Date' section has 'From' and 'To' dropdowns. At the bottom are 'Go', 'Clear', and 'Advanced Search' buttons, and a 'Sort By' dropdown set to 'Review' and 'DESC'.

On the right is a table with columns: Review, Patron, and Delete. The table contains several rows of review text and patron names. The row for 'DAVIS' is highlighted in yellow. Below the table is a detailed view of a review for the book 'Mozart's Shadow' by Carolyn Meyer, with a 5-star rating and the patron name 'CHRIS DAVIS'. The log date is '6/1/2009 9:35:24 AM'.

"The product is fantastic, and the support team is always right on top of any issues our librarians need help with. They are extremely receptive to suggestions for product improvements, and are always looking for new ways to make their products more useful and user-friendly."
